ABOUT US

Welcome to oOps, where passion for food meets the warmth of a cafe ambiance. Our story began from a simple love for culinary artistry, driven by a desire to create a space where every bite tells a story and every sip evokes comfort.

In the heart of Zgharta, our restaurant cum cafe offers a unique dining experience, blending flavors from around the world with a touch of local flair. Our menu is curated with special items crafted with love and expertise, ensuring each dish is a culinary masterpiece waiting to be savored.

Whether you're craving a hearty meal or simply seeking a cozy spot to unwind with a cup of coffee, oOps invites you to indulge in the flavors of our carefully crafted menu. But that's not all – for those looking to elevate their experience, we also offer a selection of aromatic arguile to complement your dining journey.

So come, join us at oOps, where every meal is a celebration of taste, and every moment is infused with the spirit of culinary passion.
